

Product Name :
Wood Turning Lathe Complete With Copying Device
(Heavy Duty)

Product Code :
ww0003

Description :

Wood Turning Lathe Complete With Copying Device (Heavy Duty)

Technical Specification :

Wood Turning Lathe Complete With Copying Device (Heavy Duty).

Machine Dimension : Overall size : 2100 X 400 X 1200mm Center height : 220mm Distance between centers : 1,200mm Spindle speed (4 speed) : 750, 850, 1000, 1200 Equipment & Accessories per machine : Standard bell bearing center - 1 set In board face plate 150mm dia. - 1 Screw center chuck -2 4 jaw multi - purpose chuck 80 -130mm dia Self - centering complete with metal protection - 1 Pcs Chisel, wood turning - Flat Nose - 1 pc. Chisel, wood turning- Screw, 6mm, 13mm & 20mm - 1 set. Chisel, wood turning - Round - Point, 13mm - 1pc. Chisel, wood turning - Spear - Point, 13mm - 1pc. Chisel, wood turning - Parting - Point, 20mm - 1pc. Drill chuck - 1pcs High - speed bearing bell center Knife tool with holder - 1 Standard tool kit - 1 set Wrenches.

Spindle motor (1 speed) 1440 rpm, Including.

A magnetic starter with overload relay heaters and push buttons.

1.5 kw 3- phase, 415v, 50 Hz.
