

Product Name :
 Wood And Metal Cutting Bandsaw Machine

Product Code :
 ww0010

Technical Specification :

Wood And Metal Cutting Bandsaw Machine.

Heavy duty motorised variable speed vertical metal cutting bandsaw machine suitable for cutting of various material like wood, Asbatoss metals and alloys such as copper and aluminium pospher bronze, cast iron, tool steel etc., provided with table which tilt upto 45° wheel guards, electric motor, TEFC, gear box, starter and V-belt & Saw Blade

Max. Throat Capacity	13.5"	17"	23"
Diameter of saw wheel	14.5"	18"	24"
Speed of wheel for cutting wood	800 RPM	750 RPM	700 RPM
Speed of wheel for cutting metal	75,115,150 225 FPM	85,115,170 225 FPM	75, 15, 150 225 FPM
Size of tilting table	15" x 15"	18" x 18"	24" x 24"
Power required	2 HP	3 HP	5 HP
