

Product Name :
Hydraulic Vertical Honning Machine

Product Code :
LABGW-0002

Description :

Hydraulic Vertical Honning Machine

Technical Specification :

Hydraulic Vertical Honning Machine.

Hydraulic Vertical Honning Machine.

MAIN FEATURES

Max. honing capacity diameter	200 mm
Max. honing stroke	400 mm
Min. honing stroke	50 mm
Max. distance table to spindle nose	1000 mm
Dist from spindle centre to column	380 mm
Surface of table	1400 x 450 mm
Table traverse	1700 mm

OPERATING SPEEDS				
Spindle speeds	50-300 rpm			
Infinitely variable				
Reciprocating speeds				
Infinitely variable	0-16 m/minute			
ELECTRIC MOTORS				
Motor for spindle stroke	1.5	kw	1400	rpm
Motor for hydraulic motor	1.5	kw	1400	rpm
Coolant pump motor	.01	kw	2800	rpm
DIMENSIONS				
Length of machine	1300 mm			
Width of machine	1150 mm			
Height of machine	2150 mm			
Nett weight approx.	1500 kg. approx.			
Shipping weight approx				
Box size :	2000 kg. approx.			
For machine	1500 x 1295 x 2490			
For hydraulic power pack	840 x 840 x 915
