

**Product Name :**  
Electrophoresis Power Supply, Analog Fixed

**Product Code :**  
CENTRIFUGES0006

 **LAB ENGINEERING**

**Description :**

Electrophoresis Power Supply, Analog Fixed

**Technical Specification :**

LED display, Analog Model with load 200mA and also fixed voltage of 50V, 100V, 150V, 200V. It is recommended for mini Horizontal Electrophoresis Apparatus.

 **LAB ENGINEERING**

**Elab Engineering Equipments Manufacturers**
