

Product Name :
To Measure The Polar Pattern Of The Antenna

Product Code :
EEI0005

Description :

To Measure The Polar Pattern Of The Antenna

Technical Specification :

To measure the polar pattern & gain of the antennas (Pyramidal horn, Pick-up horn, slotted horn, Dielectric horn, sectorial horn & parabolic dish).

Component Name	Qty		
Regulator Power Supply	1	Regulator Mount	1
Regulator Tube	1	Insulator	1
Frequency Meter	1	Variable Attenuator	1
Radiation Pattern horn table	1	Standard gain horn	2
Detector mount	1	Coating tin	1
VSWR meter with wave	1	Sectorial horn-C plane	1
Sectorial horn-C plane	1	Parabolic dish	1
Coaxial to WG adapter	1	Tube	1
Movable Short Provision	1	Stand	4
Wires	2	Thick board	1
BNC Cable	1
