

**Product Name :**  
Multimeter

**Product Code :**  
EEI0026

## Description :

Multimeter

## Technical Specification :

New type holder, sensitive design.

\* Large LCD makes the reading clearly.

\* Basic screen board with stronger anti-magnetic and anti-interferential function.

\* No power off under normal operation.

\* Full function protection, with high voltage circuit design.

\* Reasonable fuse protection circuit diagram.

The Salton hand held DT82 2 1/2 digit compact general purpose Digital Multimeter. Its rugged engineering design with protective holder makes it

Choice for reliable partner in measurements, for all test bench or workshop floor. DT82 is supplied with Probe as accessory.

### Special Function

Diode test (F)

Continuity buzzer (F)

Low battery indication (F)

Diode test (F)

Auto power off (1)

Function protection (1)

Resettable Fuse protection (1)

Shock proof protection (1)

Input impedance (1)

Sampling rate (1)

AC frequency response (1)

Operation way (1)

Mini Display (1)

LCD size (1)

Battery (1)

**Parameter Range Accuracy**

DC Voltage 200mV/2V/20V/200V/1000V

±0.5% + 4

AC Voltage 200mV/2V/20V/200V/750V

±1.0%+5
