

**Product Name :**  
 Linear Tissue Processor

**Product Code :**  
 MEDICAL0010

**Description :**

Linear Tissue Processor

**Technical Specification :**

Battery Backup of upto 4 hrs.

Can be run both in manual and automatic mode.

Advance safety features to ensure the safety of tissue.

Program can be delayed start.

Easy to use with the help of touch screen.

Configuration	Linear	Linear
No. of sections	12	12
Section capacity	1000ml	2000ml
Paraffin sections	3	3
Reagent sections	9	9
Multi program memory	Yes	Yes
Temp. range (Paraffin)	Ambient 40 deg C	
Delay start	Yes	Yes
Battery backup	Yes	Yes

---

Safety device	Yes	Yes
Touch screen	Yes	Yes
Fume exhaust fan	Yes	Yes
Chamber illumination	Yes	Yes
