

**Product Name :**  
Knife Sharpeners

**Product Code :**  
MEDICAL0015

LAB ENGINEERING

## Description :

Knife Sharpeners

## Technical Specification :

SCM Program control, easy operation.

Multi purpose knife holder.

Automatic disc leveling.

Buffer adjusting mechanism for honing knife.

Convenient loading and unloading for knife slicing.

Low noise operation.

Knife Length : 110-200mm.

Thickness : Less than 10mm.

Grinding Angle : 22-45 deg C (half angle 11-22.5 deg C)

Thrust Range : 1-40 mm.
