

**Product Name :**  
Portable Core Cutting Drilling Machine Petrol

**Product Code :**  
ROK-0002

**Description :**

Portable Core Cutting Drilling Machine Petrol

**Technical Specification :**

Compact and portable Core drilling machine is designed to cut cores up to 200 mm diameter from concrete, asphalt and similar hard construction materials.

The machine comprises a vertical support column which carries the drill head/motor assembly.

The motor assembly comprises a 6.5 hp petrol engine.

A ball screw mechanism enables close control of the drilling pressure and rapid return when drilling is completed.

A water spraying assembly is mounted on the machine.

Power : Petrol Engine 6.5 HP
