

Product Name :
Ohms Law

Product Code :
BASE0001

Description :

Ohms Law

Technical Specification :

Principle The connection between electrical voltage and the resulting current is measured with various test resistors. The quotient of voltage and current is a constant value that characterises the component.

We are well-known manufacturers, OEM suppliers of Ohms Law for Basic Electrical Lab Equipments. Contact us for high quality Ohms Law for Basic Electrical Lab Equipments for schools lab, college lab, universities, research labs, various teaching and workshop training laboratories and industries in India.
