Lathe Machine**Product Code :**
WMT0003 LAB ENGINEERING**Description :**

Lathe Machine

Technical Specification :

- It is easy to accommodate this equipment in moderate workshops and stays a very good investment for small scale metal industries.
- Suitable for applying in variety of industrial machining processes.
- Perfect workshop tool for engineering industry.
- Lots of metal cutting works can be tried out using this equipment.
- It serves the purpose of transforming metal work materials into different shapes over pre-determined dimensions.
- It is easy to operate and eradicates many complexities which are present in manual metal shaping.
