

Product Name :
Drill Press**Product Code :**
MELC0019 LAB ENGINEERING**Description :**

Drill Press Exporters, Drill Press Manufactures in India and Drill Press Machines Tools Mechanical Workshop

Technical Specification :

Drill Press

Spindle speeds 215 - 3250 rpm/min.

High quality with chuck 16 mm, bench type.

Diameter of column 80 mm, overall height 1045 mm.

Working table 350 mm diam, spindle taper mt 2, 16 speeds, motor 0.5 hp.
