Variety Slides 100 Prepared Slides

**Technical Specification :**

Variety Slides 100 Prepared Slides Description:-

This advanced slide set offers 100 prepared slides generally used for AP Biology and college level courses. Each glass slide is 1" X 3" (25mm X 76mm) depicting a clear and accurate specimen.

This set comes with a wooden box with metal latch and interior padding.

Perpendicular slots with numerical indication and a complete listing of each slide are provided.
