

Product Name :
Variety Set 25 Prepared Slides

Product Code :
ELAB-PSL0007

LAB ENGINEERING

Description :

Variety Set 25 Prepared Slides

Technical Specification :

Variety Set 25 Prepared Slides Description:-

Each slide measures 3" x 1" inches (25.4mm x 76.2mm) and is 1mm in thickness.

This General Biological/Scientific Slide Set includes 25 prepared glass slides, is perfect for the keen science and biology enthusiast at an elementary/high school level.

Slides are individually sealed and protected with cover-slips; and also are contained inside a wooden box, equipped with interior padding and individual slots, ensuring safe storage and easy transportation.

Chlamydomonas W.M. Pine Leaf C.S.

Leaf of Winter Jasmine C.S.
