

Product Name :
Fiber Optic Cable**Product Code :**
ELAB-ENT0003 LAB ENGINEERING**Description :**

Fiber Optic Cable

Technical Specification :

Fiber Optic Cable Highly Flexible almost Unbreakable Fiber Bundles Quartz glass Fibers for best light transmission and natural tissue color Smooth outer Silicon tube and inner Stainless Steel Sheathing, Prevents Damage Available F.O. Light carrier for different type of scope and retractors Fitting can be made according to your Specifications i.e STORZ, ACMI, WOLF, OLYMPUS

 **LAB ENGINEERING****Elab Engineering Equipments Manufacturers**
