

Product Name :
Open Hearth Furnace**Product Code :**
ELABBCMM01 LAB ENGINEERING**Description :**

Open Hearth Furnace

Technical Specification :

The unit shows that the regenerator system helps to utilise waste gases and thus ensures economy. The model mostly covers the technical back ground of the furnace. Complete on approximate 60x45 cm. base board.

The model cutaway in design and clearly labeled. The colour scheme distinctly elaborates the refractory layout of furnace.

We are well-known manufacturers, OEM suppliers of Open Hearth Furnace for Construction Machines Models.
