

Product Name :
Working Model of Bucket Conveyor

Product Code :
ELABBCMM07

Description :

Working Model of Bucket Conveyor

Technical Specification :

The unit is constructed of metal and hard wood parts and is fitted with F.H.P. 220 volts A.C. motor. Complete fitted on a wooden base of about 75x30cm.

In this properly designed model a series of buckets are fixed to an endless belt to elevate contents from lower to higher level continuously.
