

**Product Name :**  
Radiation Can Set

**Product Code :**  
ELAB-HET0004

**Description :**

Radiation Can Set

**Technical Specification :**

Study absorption, emission, and Newton's law of cooling.

Cans are identical except for color: one is black and the other is bright tin.

Insert a thermometer (not included) in the hole at the top of each can to measure changes in water temperature.
