

Product Name :
Drying Oven Industrial Double Door

Product Code :
ELB-DOI0003

 **LAB ENGINEERING**

Description :

Drying Oven Industrial Double Door

Technical Specification :

Double walled and double door.

Temperature controlled by thermostat with dial type thermometer.

Forced air blower.

Timer 0-24 hours

Digital temp. Indicator

Size in mm Size in inches

900x600x600 (36"x24"x24")
