

**Product Name :**  
UPS

**Product Code :**  
ELABHTOOLSUK470002

**Description :**

UPS

**Technical Specification :**

Its robust design enables it to operate in harsh physical and electrical environments.  
Its input is optimised to operate with very wide input-voltage range, reducing the number of transfers to battery power and is perfectly compatible with engine generator sets.  
An internal over-voltage cut-out device fitted to 1-3 kVA models automatically isolates the UPS from extremely high input voltage, protecting the UPS and your critical loads.  
On Line 3 KVA UPS system Model ADS 3000 With SMF (30Min Backup).
