Computer Tables

**Technical Specification :**

DESKTOP: Single-piece table top provides smooth surface perfect for drawing, writing and drafting. Designed to fit nearly any laptop, tablet or portable computer.

ADJUSTABLE HEIGHT: Lift or lower the desk from 21 to 29 inches high manually and keep it there with the locking knob.

MOBILE ROLLING DESK: Enjoy smooth-gliding mobility with four caster swivel wheels.

Simply screw wheels in for a portable workspace that stays put when you need it.

Movable and easy to fix it.
